## Help Keep WBAI Solvent and Anti-Racist

The national trend of declining listener revenue that affects all of community radio has collided with rising costs and has hit WBAI hard. This trend is not unique to WBAI: a report last year by Audience 2010 projected a \$30–60 million drop in public radio revenue. The financial impact of 9/11 and rising NYC poverty and unemployment rates make it very difficult for listeners to be as generous as they would like. And when the board's opposing bloc speaks of WBAI's debt to the national office, what they don't tell you is that WBAI faces a financial burden unmatched by any other Pacifica station. WBAI's operational cost (transmitter rent, studio rent and utilities) is \$736,000 a year—no other station's exceeds \$146,000.

The Justice & Unity board majority has scrutinized management's proposed budgets and corrected errors and excesses, producing more accurate and economical budgets. We'll work with the incoming permanent manager to launch a major capital campaign so the station can purchase its own facility. We're working with the Pacifica National Board to bring in a professional to raise funds off-air.

We'll also build on our Board's past successes and help the station hold more community fundraising events, run ads in diverse publications, and create a Pacifica record label.

Justice & Unity recognizes that racism is not dead, or even asleep, and remains committed to ensuring that WBAI maintains and expands its progressive, activist, anti-racist programming, and to advancing affirmative action throughout Pacifica. Some opposition board members are against this, and have even campaigned to fire progressive Program Director Bernard White and to purge other anti-racist programmers by disseminating vitriolic, unsubstantiated allegations against them. To stand up against this opposition and protect WBAI's legacy as a powerful tool for oppressed communities, Justice & Unity needs a stronger board majority.

**Ballots must be received by Feb. 23!**

## How To Get Your WBAI Ballot

If you were a WBAI member as of Aug. 31, '07 and need a replacement ballot, e-mail [votewbai@gmail.com](mailto:votewbai@gmail.com) OR call 212-209-2828 by **Feb. 15** with your full name and address as listed on WBAI records. Fill in and mail ballot IMMEDIATELY. Ballots must be RECEIVED (not post-marked) by Sat., Feb. 23.

## Don't Be Fooled!

Most of the "independent" candidates are joined with the same hostile bloc that for years has undermined WBAI, demoralizing listeners and staff with unsubstantiated allegations. Justice & Unity candidates have varied backgrounds but shared values supporting racial, gender, and class justice.

## Vote Justice & Unity!

**Broaden off-air fundraising**

**Maintain strong programs by and for communities of color**

**Stand against racism within WBAI/Pacifica**

## How to Fill Out Your Ballot

There are 9 board seats to fill. You can vote for more than one candidate by ranking them in order of preference. We've developed rankings to maximize the chances of electing all 8 Justice & Unity candidates. To make sure your favorite candidates aren't a stranded minority on a hostile board, it's crucial to rank ALL of the Justice & Unity candidates! Do not give the same ranking to more than one candidate—it divides and dilutes your vote. Vote ONLY for Justice & Unity candidates. If you also rank other candidates, it could hurt our chances.

For a photo of a filled-out ballot, go to [justiceunity.org](http://justiceunity.org).

### ACT TODAY! SAVE WBAI!

#### Vote for Justice & Unity by Feb. 23

On Jan 24, Judge Richard Braun of NY Supreme Court ruled that everyone who was a member of WBAI as of Aug. 31, '07 and has not yet voted can do so. If you haven't yet sent in your ballot, send it ASAP. If you need a replacement ballot, e-mail [votewbai@gmail.com](mailto:votewbai@gmail.com) OR call **212-209-2828**—by Feb. 15—with your full name and address as listed on WBAI records. Fill in the ballot IMMEDIATELY and mail it in. Ballots must be RECEIVED (NOT postmarked) by Sat., Feb 23. For details, go to [www.wbai.org](http://www.wbai.org).

WHY? On Nov. 16, 2007, board members related to the ACE faction stopped the WBAI election through a court order and attempted to disenfranchise voters and restrict who could vote. Now this ruling means that everyone who has not had the opportunity to vote can still vote.
