

# WHAT YOU CAN DO TO HELP KEEP WBAI ON TRACK

We need your help to build the pressure on the WBAI Local Station Board to stop harming the station. We also need all hands on deck to mount a campaign to elect a much more progressive Board. This fall, 9 of the 18 listener seats are up for election; nominations opened July 25 and close September 25.

1. **Become a voting member of WBAI (deadline: Aug. 31).** Requirements: either a minimum \$25 donation or 3 hours of volunteer work in the past year. Only a limited number of hardship waivers will be made available on a case by case basis. (You can donate online by secure credit card transaction at [www.wbai.org](http://www.wbai.org), or call 212-209-2800.)
2. **Get at least 5 friends to become voting members of WBAI by Aug. 31. Spread the word everywhere you go.** Speak at your community group, union, or religious institution.
3. **Join the outreach campaign** to elect progressive candidates to the Board this fall. Help distribute leaflets, fact sheets, and candidate petitions. Arrange for speakers to appear at your community group, union, or religious institution.
4. **Consider becoming a Board candidate yourself** or recommend a colleague who would be good – it's a three-year term and a lot of work, but will make a huge difference. For details, go to [www.wbai.org/elections](http://www.wbai.org/elections).
5. **Attend meetings of the Board and its Committees and make your voice heard.** All meetings are public, accessible, and include time for public comment. For dates and times, go to [www.wbai.org/lstb](http://www.wbai.org/lstb) (Local Station Board section) or call (212) 209-2919.
